Usually a large wall hanging takes several weeks at least, to plan and construct. I definitely felt the Spirit's guidance, as this came together in one week. I felt led to the design, the materials were easily obtained, and solutions to problems were revealed to me quickly. As you bring your own thoughts to it, may you be blessed. Thanks be to God."*)

Following the service, please join us outside for a time of fellowship and coffee. If the weather prevents us from going outside, we ask that people refrain from eating or drinking so that everyone can remain masked.
