

## **Funeral Planning Sheet**

### **Berkey Avenue Mennonite Fellowship**

**Note:** *After you give this to the church office, it will be kept safely in a file. When the time comes, the pastors and surviving family members will use it to plan your funeral or memorial service. You are welcome to outline an entire order of worship if you wish and attach it to this paper. If you want, one of the pastors can meet with you before you fill this out. Remember that you can use the church building both for your viewing and for your funeral or memorial service.*
