Creation Sunday

Sunday School classes do not meet today.

Today, September 6, is "Creation Sunday." The Creation Care Working Group (CCWG) of Mennonite World Conference encourages congregations to celebrate Creation Sunday as an opportunity to commemorate the divine act of creation and to reflect upon the central conviction that God's love and faithful presence for all of creation is worthy of our gratitude and praise.

Following our time of fellowship, please join us in the Outdoor Sanctuary to give thanks for God's good creation and to renew our commitment to care for it (10-15 minutes).
